## RHYTHM SUPERFOODS WILL SHARE NUTRITIOUS SUPERFOOD SNACKS AT SUMMER FANCY FOOD SHOW

*Healthy Snack Company to Highlight Popular Chip Lines at Seasonal Trade Event*

**Austin, TX (June 24, 2014) - Rhythm™ Superfoods**, maker of nutrient-dense and naturally delicious snack foods, will showcase its two popular chip products at this year's Summer Fancy Food Show in New York City. Show attendees will have the opportunity to try both **Rhythm™ Superfoods'** first-to-market **Kale Chips** as well as its most recent line of baked **Superfood Chips**.

The **Superfood Chips**, **Rhythm™ Superfoods'** most recent addition to its lineup of high-quality and enjoyable snack products, feature a recipe of ancient grain ingredients such as quinoa, pea protein, oat bran and amaranth. Available in flavors including *Sea Salt*, *Barbeque*, *Jalapeno Lime* and *Nacho*, the baked chips are gluten-free, non-GMO and have four grams of protein and three grams of fiber in every serving. In addition to the **Superfood Chips**, **Rhythm™ Superfoods** will also showcase its original, USDA Organic and Certified Gluten-Free **Kale Chips** including the newest flavors, *Pineapple Coconut* and *Honey Mustard*, among others.

"The Summer Fancy Food Show provides the opportunity to not only present our products to those who haven't tried them before, but also give us the chance to reintroduce our snacks to buyers who have shown interest in the past," said Scott Jensen, **Rhythm™ Superfoods'** CEO and Co-Founder. "It is always exciting to share company news, success of new products as well as plans for the future and we look forward to doing just that at the show."

The Summer Fancy Food Show will be held from June 29 - July 1, 2014 at the Jacob Javits Center located at 655 West 34th St., New York, NY 10001. **Rhythm™ Superfoods** invites attendees to experience its products at booth number 4382.
