**RHYTHM® SUPERFOODS BRINGS KALE CHIPS AND NEW BROCCOLI BITES™ TO
FRESH SUMMIT CONVENTION AND EXPO**

Beloved Superfood Snack Company to Exhibit Tasty Twists to Favorite Vegetables at Produce Show

Atlanta, GA (Oct. 23, 2015) – [Rhythm® Superfoods](http://www.rhythm-superfoods.com), a company known for creating innovative plant-based superfood snacks, will showcase its nutritionally dense and naturally delicious products at this year's Fresh Summit Convention and Expo at booth #258. In addition to sampling its eight flavors of organic *Kale Chips*, **Rhythm® Superfoods** will officially debut three flavors of its NEW **Broccoli Bites™**.

Rhythm® Superfoods' NEW line of **Broccoli Bites™** offers consumers bite-sized broccoli floret snacks tossed in a light dressing made with nuts, seeds, veggies, herbs and spices to create an irresistible flavor. **Broccoli Bites™** are non-GMO, gluten free, and vegan snacks that contain 7 grams of protein and 4 grams of fiber per 1-ounce serving. They are never baked or fried, but are delicately crafted and dehydrated over the course of several hours to maintain the nutritional value of raw broccoli.

"Between our eight flavors of *Kale Chips* and the NEW line of **Broccoli Bites™** we have a lot to share at this year's show," said Scott Jensen, CEO and president of **Rhythm® Superfoods**. "We're focused on creating top-of-the-line products that not only taste great but provide the nutritional benefits that health-conscious shoppers are looking for. We are excited to showcase our plant-based snacks to the summit alongside the leaders of the produce industry."

Fresh Summit Convention and Expo will take place from Oct. 23 to 25 at the Georgia World Congress Center located at 285 Andrew Young International Blvd. NW, Atlanta, Georgia 30303. **Rhythm® Superfoods** won Best Inline Booth at last year's show and invites attendees to stop by booth #258 to experience its one-of-a-kind superfood snacks.
